Response to advice on garage and greenhouse was encouraging. Greenhouse design was considered a bit too ornate, and it was suggested a simpler design would be more preferable.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
