A Certificate of Lawful Development should be granted as the existing outbuildings and structures located to the rear (south) of the White Hart public house to which this certificate application relates, comprise building works that have been completed for more than four years from the date of this application. The outbuildings and structures are used in connection with the lawful use of the site (Public House - formerly Use Class A4, now Use Class Sui Generis). The outbuildings and structures have never been concealed and continue to be viewable from the public carriage way. The use of the outbuildings and structures is in connection with the existing public house use of the site and has continued for more than four years from the date of this application.
