Thank you for your letter 01/03/22 regarding the above notice of tree works. Apologies for not providing sufficient information so far.

Attached is a plan showing the location of the tree in question, situated at the very end of the garden at 21 Castle Hill.

Attached also is a photograph of the same. Our proposed intention is to reduce the height and width of this tree by about a third by removing the excessive growth and the odd dead secondary branch.

This would reduce the height of the tree to about 20 feet and the width to around 15 feet.

Please let me know if you require any further information.

Kind regards

Alan Boscott
