Dear Sir / Madam

**NOTIFICATION UNDER THE ELECTRONIC COMMUNICATIONS CODE REGULATIONS OF
THE INTENTION TO INSTALL ELECTRONIC COMMUNICATIONS APPARATUS AT LAND OF
The Garth, Keyingham, HU12 9TY NGR – x=524600, y=425528**

We are submitting this letter to inform you that Connexin are proposing to install electronic communications apparatus on adopted council land. The proposed location is in the grass verge on land The Garth, Keyingham. The apparatus consists of a 15m telegraph pole (13m above ground, 2m below ground) together with a small antenna fixed in place to the top of the pole via a metal rod.

We hereby issue Notification by Connexin of its intent to use permitted development rights to install electronic communications apparatus at this location. Connexin is designated as an Electronic Communications Code Operator under the provisions of the Communications Act 2003 and operates in accordance with the Electronic Communications Code (Conditions and Restrictions) Regulations, as amended to undertake such works.

Contact Details

All queries in relation to this Notification should be addressed to the undersigned in the first instance.

The following contact details are provided should the Council, members of the public or other stakeholders wish to raise queries direct:

Connexin Limited: Unit 4b, Earls Court, Henry Boot Way, Hull. HU4 7DY

Yours faithfully,

Daren Pinkney
