Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Proposed Replacement Dwelling and Garage (Self-Build) at Holkham View 115
Burnham Road North Creake Norfolk NR21 9LB**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Please confirm what are you trying to show with "Previous Side Elevations"?
2. Please provide drawings to a recognisable scale, showing existing and proposed site levels. If the site levels are to remain unchanged, please provide the drawings annotated as existing and proposed.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Miss Sandra Homcenko**

Yours faithfully

Executive Director
Environment and Planning
