

Site Plan Demonstrating Vision Splays To The North & South Of The Vehicular Access
70m North and 55.7m South

Proposed New Domestic Vehicular
Access At
Devonshire Farm
Green Lane
Stony Houghton
NG19 8TR

DWG1 Scale 1:1250 1:500 & 1:250 @ A1

- The Vision Splays as indicated in yellow are taken 2.4m back from the junction with the carriageway demonstrate 70m to the North of the access point and 55.7m to the South of the access point.
- The domestic vehicular access track will be constructed using 'Grasscrete' or similar cellular grassed paving blocks.
- The green line indicates the position for the hedge to facilitate the vision splay to the North of the access point.
