Dear Mr Godbold,

Apologies for the delay. Yes, I think the tiles shown below would be acceptable.

Kind Regards,

Thomas

Sorry to hassle you but do the tiles as below look acceptable to you ?

We are keen to get them as we are almost ready to take the scaffold down under a temporary sheeted roof structure. Looks like the Thatching may have to wait until next year.

Thanks again for your help

Hi Thomas – Hope you are all well ?

Please see below photo of some reclaimed tiles that we are able to secure for the retiling @ Nr 157 The Street, Stoke Ash

They need a bit of a clean but look a much better like for like replacement than the previous suggestion.

Your opinion would be appreciated - If you are ok with these then we need to reserve them as soon as we can.

Thanks
