Thank you for your planning application which was received on 14 March 2022. We have checked the application and have found that it is invalid. This means that we cannot currently accept it for registration. The following details must therefore be submitted for the application to be registered:

I would be grateful to receive these details by 27 April 2022. If I do not receive them by this date I will return the application to you.

Yours faithfully,

Ade Balogun
