Description of Proposed Works

Please describe the proposed works

It is proposed to replace 2 existing outbuildings which are dilapidated with 2 timber garden sheds for the purposes of storing bicycles and garden equipment. Shed 1 is on the site of an existing outbuilding located next to the house and will have an electricity supply for the purposes of charging battery operated garden equipment. Shed 2 will replace an existing shed but in a more convenient location, next to the existing polytunnel. Shed 2 will not be visible from Sandrock Lane as it is behind a hedge. Shed 1 will be visible from Sandrock Lane but as the entrance to Willow Cottage is at the end of Sandrock Lane, it does not get any passing traffic. Both sheds will be of Apex design. The size of both sheds will be 3 metres long by 2.5 metres wide and not more than 3 metres high. There will be a double door at one end and windows along one side. A photograph showing an example of what is proposed is attached.

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes

No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
