

Mr T Fessler
Brockenhurst Village Trust

28 July 2021

Dear Mr Fessler

Case Number EQ/21/50679
Proposal Fencing
Site Brockenhurst Village Hall, Highwood Road, Brockenhurst,
SO42 7RY

Thank you for your correspondence received on 12 July 2021.

I would have to advise that reverting back to the 3m fence of the earlier application (16/00868) would need planning permission, given that you have implemented the later permission. However, previous permissions would be a material consideration, and it is likely that the 3m high fence would be acceptable.

To then subsequently increase the height of part of the 3m fence by an additional 1.5m to 2m would also require permission. Prior to your submitting an application, it may be appropriate to send me a quick sketch to show the extent of this higher portion to ensure that it would be appropriate in visual terms.

Please be advised that advice is made without consideration to any third party comments, and is offered without prejudice to the determination of any subsequent planning application.

I trust this information clarifies the points raised in your letter. Please do not hesitate to contact me on the number below if I can be of further assistance.

Yours sincerely

Clare Ings
Senior Planning Officer
