Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

The proposed development will be a traditional pole barn, which will be used for the storage of hay cut from the land, which is needed to support commoning activities.

These types of agricultural buildings are widely used within the New Forest and can be found on a number of Commoners holdings. The barn will be open at the front, the sides and back of the barn will be green corrugated sheets, the roof will be green corrugated sheets, the structural supports will be recycled telegraph poles.

Has the work or change of use already started?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Amendments Summary

Dear Julie, Further to your letter dated the 31st March 2022 I have hopefully completed the non-residential floor space details and submitted the elevations in line with your advice. Hopefully all details are correct and the application can be registered, however if this is not the case, and you require further information then please let me know. Many thanks.
