Description of Proposed Works

Please describe the proposed works

The extension to 23 Dunwich Road will be comprised of 2 storeys, situated to the rear of the property. At ground floor the existing conservatory will be removed, which is currently not being utilised due to cold temperatures in the winter and overheating in the summer, due to the south/west facing aspect. The ground floor will be extended to create a large entertaining kitchen/ dining space and a partition will be added to the garage at the front of the property to create a utility space for a washer and dryer.

At first floor, the extension will only extend out halfway across the property, not encroaching on the party wall at 21 Dunwich Road. This will also allow additional light to enter in to the rear space of the ground floor dining room through a roof light. The first floor extension will comprise of a new master suite and re-arrangement of the space to create a large family bathroom.
