Details of the pre-application advice received
We had some dialogue with the case officer during the determination phase of the previous application (ref 21/3199/RCU) whereby it was suggested that if the height of the rear extension along the boundary with No.74 Colin Park Road was reduced to 2.5m (as per permitted development rights) then this would be considered acceptable by the LPA. The email string that I am referring to is being submitting with this application. Whilst we did not make the design changes at the time, we have now revised the plans to reflect the design that was suggested by the planning officer in October 2021.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
