

We have lived in Skeyton since 2008 & currently rent a field on School Lane from a local farmer for our ponies to graze. We acquired 7 acres of agricultural land in 2021 consisting of 2 fields which border our existing plot.

The 4 hectares describes our entire plot including our house, garden and the agricultural land. Our proposed planning application is for change of use of the recently acquired agricultural land to equine grazing as well as the menage, which is for private use.
