Pre-application Advice		
Has assistance or prior advice been sought from the local authority about this application?

Details of the pre-application advice received		
Advice was originally sought for the erection of a single dwelling towards the rear of No.27 Main Street. The proposals were viewed as 'infill development' and as such, the principle of development was highly likely to be considered unacceptable. Hence, new proposals focus on the adaptation of the existing cottages and a new extension.		
Authority Employee/Member		
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member		
It is an important principle of decision-making that the process is open and transparent.		
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.		
Do any of the above statements apply?
