## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- Yes  
 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes  
 No

Has the proposal been started?

- Yes  
 No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

**Please note that following changes to Use Classes on 1 September 2020:** The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

### Information about the proposed use(s)

Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed hip to gable roof extension rear dormer extension with juliet balcony and rooflights complies with the following requirements. Therefore a certificate of lawfulness for a proposed development should be granted.

All new side windows (if applicable) to be obscured and non-opening or above 1.7m high.

The proposed extension does not exceed the height of the highest part of the existing roof.

The proposed roof extension does not extend beyond the plane of any existing roof slope which forms the principal elevation of the dwelling house. The property does not front a highway.

The total area in the enlarged roof does not exceed 50 cubic metres (refer to attached calculations). The materials used on the exterior of the building are to be of similar appearance to those used in the construction of the exterior of the existing dwelling house.

The Juliet balcony and rooflights are to be within 150mm of the roof plane/dormer window.

The rear dormer is set away from the eaves by min. 20cm.
