Dear Sir/Madam,

New application – Saddlesdane Farm, Ashford Road, Faversham

Please find enclosed a planning application for the erection of a new agricultural building at Saddlesdane Farm. Whilst part of the site is used for the purposes of an equestrian centre, some 40 acres of the land is farmed for a hay crop with hay being used for the farms cattle and sold to the public.

The new agricultural building is to provide covered storage for the hay crop, currently stored outside, to reduce wastage from damage to the hay bales. The building will also provide some covered storage for the farms associated machinery which also is currently stored outside and this will provide both better secure storage for the machinery and improve its longevity.

Can the appointed Case Officer please make contact with me as Agent to make the necessary appointment in advance to visit the site.

Should you have any queries, please do not hesitate to contact me via the office number above or by my email address below.

Kind regards

Jane Scott BA(Hons) Dip.TP MRTPI
