Overlay to	Digitalis alba	in groups of 3-5		9cm	10	9	15	10	24	27									
	Digitalis purpurea	in groups of 5-7		9cm	10	9	15	10	24	27									
Total % per bed				20															

NB: Refer CDM Information in Hazard Mgt Record. There is a requirement to replace topsoil due to low levels of contamination by asbestos. 300mm topsoil to be replaced in all planting beds, except under the canopies of mature trees or shrubs that are to be retained. Refer Specification Q28, 30 & Q31.

For Tree Removals Refer to Dwgs TR1 & 2 Schedules. For Tree Protection refer to Dwgs TP1
For General Arrangement and Key, refer to Dwgs 201-219
