3. The permission to which this notice refers MAY contain the requirement to comply with certain conditions PRIOR to any works being commenced, as well as conditions to be met DURING and AFTER the completion of the development. You are hereby advised that non-compliance with ANY condition may render this permission invalid and the development itself UNLAWFUL and could lead to enforcement action and/or prosecution. It is YOUR responsibility to ensure that all conditions are complied with. If you are in any doubt as to the requirements established by any condition attached to this permission, you are strongly advised to contact Craven District Council Development Management for clarification prior to the commencement of any works.

## **GENERAL DEVELOPMENT PROCEDURE ORDER 2015** **TOWN AND COUNTRY PLANNING ACT 1990**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same, or substantially the same, land and development as is already the subject of an enforcement notice and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same, or substantially the same, land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of the service of the enforcement notice **or** within six months of the date of this notice (whichever period expires earlier).

If you want to appeal against other decisions, except for Householder which are 12 weeks, then you must do so within 6 months of the date of this notice. Appeals should be submitted using a form that you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

Email: [enquiries@planning-inspectorate.gsi.gov.uk](mailto:enquiries@planning-inspectorate.gsi.gov.uk)

Website: [www.gov.uk](http://www.gov.uk)

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

### **Purchase Notices**

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
