

Copyright: All rights reserved. This drawing must not be reproduced without permission.
 All work to be carried out in strict accordance with the Building Regulations and the British Standards.
 Contractor to verify all dimensions at the job prior to making any shop drawings or commencing any work.
 Within dimensions to be taken in preference to scaled off dimensions. If in case of any doubt please ask.
 All work to be carried out in strict accordance with the Health & Safety Executive's Regulations.
The Construction Design and Management Regulations 2015:
 Under CDMP15, the domestic client has a duty and also the responsibility of appointing a Principal Designer (PD) which can be the appointed contractor or a suitably qualified person, who's role it is to identify any special hazards in the carrying out of the construction works and prepare a Health & Safety Plan if necessary. This should be a formal agreement and could involve the services of a specialist Principal Designer.
 Should you require any further assistance please contact the office.
