Works to 1 x Oak tree covered by TPO M/2/465/17

1 SITE DESCRIPTION

The application site is located on the south-eastern side of Chapel Lane within the settlement of Wimblington. The tree subject to this application is situated to the front of the dwelling on site.

2 PROPOSAL

This application seeks to carry out works to an Oak tree covered by TPO M/2/465/17. The works proposed include reducing 3 metres back to the previous pruning points and the removal of deadwood.

3 SITE PLANNING HISTORY

No pertinent planning history on site.

4 CONSULTATIONS

Wimblington Parish Council

Wimblington Parish Council have no objections to this application.

FDC Arboricultural Officer

The application is to reduce the crown of the tree back to the previous pruning points (the removal of deadwood does not require permission).

The tree is a prominent specimen of amenity value and contributes to the street scene as part of a line of mature trees.

I have no objection to the proposed works as the tree has been managed in the past by crown reduction.

Local Residents/Interested Parties

No comments received.

5 ASSESSMENT AND CONCLUSIONS

This application seeks to reduce the crown back to the previous pruning points. There is no objection to the proposed works as the tree has been previously managed in the past by crown reduction.
