

APPENDIX 2

Management Plan

The following organisations will deal with the management of the property and service:

- Envision Housing Ltd. - Responsible for obtaining the relevant planning and building consents necessary for the refurbishment of the building and its use as supported living accommodation
- MySpace Housing Solutions -interested in the property by way of long lease and responsible for the maintenance and running of the property
- Independence Support Ltd (ISL) –Support Provider who will have staff based on site 24/7 at proposed accommodation delivering support to the 8 tenants.

The following support will be provided within the care packages for the 8 intended tenants:

- Support with shopping
- Support with cooking
- Support to access supported employment and volunteering
- Support to attend college and vocational training
- Support with letters, bills and dealing with correspondence
- Supporting money management
- Support to keep in touch with friends and family
- Support to access community activities, including travel training and learning how to use public transport
- Support to make and attend appointments
- General support with managing impacts of mental health needs, including fluctuating needs (for example individual support needs may be less during some weeks, or more if experiencing a set back in mental health or a difficult period in their life)
