Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this planning application on two grounds:-

1. The mast is not suited to be sited on the fringe of a residential area, and in the case of Crofton Avenue itself, one consisting of attractive Edwardian terraced housing.

2. The mast could be a distraction to motorists on the busy Gloucester Road (A38).

The mast may be somewhat less obtrusive than the previous application, which was refused, but fundamentally it is in the wrong place, no matter how big it is.
