

FAO Ian Burrige
New Forest National Park Authority Planning

Your Ref: Burley V9018 Fibre to the Premises - Funded Project

31st March 2022

Dear Ian

Planning Application for proposed new sections of duct in SSSI land (Regulation 8) Lyndhurst Road and Near New Burley Lodge, Burley BH24 4HS – Burley V9018 Fibre to the Premises Funded Project

I give notice that British Telecommunications plc, through Openreach Limited is applying to New Forest National Park Planning Authority under Part16 of The Town and Country Planning (General Permitted Development) (England) Order (As Amended) and under Regulation 8 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended), for the purpose of installing BT's fixed line broadband electronic communications apparatus.

The installation is for 1467 metres of underground duct, associated cables and 7 Jointing Chambers/Boxes.

An Ecologist has been arranged to carry out an HRA report and an application will be sent to Natural England for their Assent as detailed in Regulation 8 Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended) separately to this notice.

All enquires relating to this notice please contact Nigel Marris, Openreach Project Manager  or myself.

Yours sincerely,

Lynne Varley
