Details of the pre-application advice received
Without prejudice of the submission of an amended scheme following the recommended withdrawal of the current application, my informal
advice is that the site is only likely to accommodate a residential development of conventional single storey scale, to ensure that the amenity
of surrounding residential properties is not unduly harmed and to respect the character of the street scene.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff (b) an elected member
(c) related to a member of staff
(d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.

Can the site be seen from a public road, public footpath, bridleway or other public land?

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having

considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

⊙ No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
