### Description

Please describe details of the proposed development or works including any change of use

Change of use from Agriculture to Garden Land to serve Manor Farm House (Retrospective):

At some point in its history, prior to the first listing, Manor Farm House was separated from the farming land around it. In September 1988 an additional parcel of land was purchased and added to the garden giving a total area of around 1.2 acres. This additional parcel of land is outlined and shaded red on the attached location plan. This portion of land has been enclosed and used as the garden of Manor Farm House since that time, bounded to the west by mature native hedgerow and is primarily laid to lawn along with a small, mature deciduous wooded

Change of use (retrospective) is sought to regularise the status of this land to garden use.

Erection of Timber Framed Cart Lodge:

The proposal is for the construction of a timber framed 2 bay cart lodge providing covered, off road parking for two vehicles.

The cart lodge will be constructed using traditional oak framing techniques and materials. Reclaimed materials to suit the local vernacular (e.g. clay pantiles for the roof covering) will be sourced where available.

Access and egress to the proposed cart lodge will be via the existing gates and back drive at Manor Farm House on Coronation Road. The maximum dimensions of the cart lodge are height 3.971m X length 6.65m X width 5.4m with a total floor space of 35.91sqm and is

| moderately sized in comparison to the floor space of the farmhouse and garden land in which it will be sited. |  |
