Details of the pre-application advice received

Based on the information received, Ms Nobbs has confirmed that it is likely that the storm porch would receive permission if an application for planning permission were submitted. In response to the Agent's query, a further letter from Ms Nobbs clarifies that the development would need to comply with Class D of Schedule 2 (Part 1 of the GPDO 2015) and can only be carried out if the property still has their permitted development rights intact. The Agent has confirmed the PD rights are in fact intact.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
