3rd May 2022

Dear Sir/Madam

### **Notification of Receipt of Prior Approval Application**

**Application Reference:** 22/0618/PNND

**Proposal:** Application under Class Q of the Town and Country Planning (General Permitted Development) Order for prior approval in relation to the change of use of three existing agricultural buildings into 3 no. residential dwellings

**Location:** The Barns Village Street Dembleby

**Date Registered:** 14th April 2022

**Terminal Date:** 9th June 2022

I acknowledge receipt of your application received on the above date. The application fulfils the requirements of the relevant legislation in terms of its initial validation and therefore you should receive determination as to whether prior approval is required or not within 56 days of the aforementioned date on which the Council received your application. If the case officer requires further information in order to fully assess the application they will be in touch.

Please note that in order to protect customers and staff and control the spread of the Covid-19 virus, in line with the Prime Minister's statement, the planning department has moved towards more agile ways of working. This means that at this stage your application has gone through a simpler validation check of basic information/requirements, rather than the full check of all constraints, and therefore the planning officer allocated to your application may request further information from you during the course of the application. If on this further examination, we find that your application is incomplete, we may invalidate it at this stage. We have taken this approach to try get applications registered as quickly as possible and prevent any unnecessary delays in the processing of applications. If you have any questions about your application please email the planning officer named below. Please note that a time extension may be required on the application due to current restrictions on site visits and also to allow neighbouring properties to be consulted in line with statutory guidance, the case officer will contact you about this in due course.

If you have any concerns or general queries regarding the progress of your application, then please contact the Planning Administration Section for assistance. It will help the Council if in all

communications you quote the application number, **22/0618/PNND** and the case officer's name, **Tom Siddons**. You can track your application online at [www.n-kesteven.gov.uk/planningonline](http://www.n-kesteven.gov.uk/planningonline).

Yours faithfully

*Technical Administration Team*
