Description of Proposed Works
Please describe the proposed works
Installations of Solar panels on the roof Chart House which is in the Lyndhurst Conservation Area.
Chart House is a 'Modernist' design with a near flat roof behind a parapet.
The panels will be mounted on the eastern portion of the flat roof.  They will be mounted at the shallow angle of 15 degrees to maintain a low profile and minimize windage.
Their highest point will be lower than the surrounding parapet and therefore not visible from ground level.
Has the work already been started without consent?

"I coal Daliay supports the installation of renoughle energy equipment where it is
"Local Policy supports the installation of renewable energy equipment where it is small scale, providing energy for individual households, are located and designed to
have minimal visual impact and not have an adverse impact on the landscape
character, heritage assets, natural beauty, wildlife, tranquility or other special
qualities of the National Park. It is my informal view we would be able to support
solar equipment in this location."

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff (b) an elected member
(c) related to a member of staff
(d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
