Afternoon Oliver,

Thank you for the submitted 1:10,000 scale Location Plan, however it does not show any named roads on the drawing. If possible can you please add in these 2 named roads the U112 Road (running past Corse Cottage) and the U137S (which runs past Galrinnies) to the attached drawing and just email it back to me at your earliest convenience & I'll add it into your application. We just need a drawing showing a couple of named roads.

Should you have any further queries just contact PRT on Planning.RegistrationTeam@dumgal.gov.uk

Kind Regards

Ailie Simpson

Dear Ailie,

Additional documents have been submitted using portal as requested.

NOTE: You asked for a 1:5,000 location plan with a minimum of 2 No. names roads or road numbers. This is not possible! The additional documents include a 1:10,000 scale location plan. There are still no named or numbered road on this plan at this scale. I trust you are able to identify the site using geographical features / close by properties given the remoteness of the site. Alternatively you'll need a 1:50,000 scale plan to see named roads, this would be costly to the client.

I trust this meets your needs.

Regards,

Oliver Elliott
