Details of the pre-application advice received

Hi James

Sorry for delay, my team leader was on leave last week and I only managed to speak to him yesterday evening.

I'm afraid, he feels the introduction of the gate isn't in keeping with the street. I had suggested the reintroduction of the boundary hedge would be in keeping with street and given the gate is setback it would not be significantly visible. However, given we've always been opposed to anything other than the five bar style gates or in the case PD boundary treatments, he feels we should maintain this consistency as if we approve this development it could quite possibly open the flood gates so to speak and cause an influx of boundary developments that will start to erode the appearance of the street.

Sorry this isn't the response you were hoping for. Moving forward, depending on the applicants time scales, you might want to submit the scheme and take it to appeal before going down a PD route so as to have one final attempt at trying to achieve what the applicant is after but unfortunately my team leader won't sign off this.

Kind regards  
Ed

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Yes

No

## Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner\* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding\*\*

\* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

\*\* "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

**NOTE:** You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
