

1. Do not scale: if in doubt, ask
2. Figured dimensions are indicative only: contractor to check setting-out and determine all working dimensions by site measurement.
3. Read in conjunction with specification notes
4. Ensure all conditions of approvals are satisfied prior to commencing work
5. Give appropriate notice to building inspector of all statutory inspection stages.
6. All work to comply with current applicable building regulations and associated codes of practice.
7. Follow manufacturer's recommendations for all proprietary products.
8. Where supplied or required, read this drawing in conjunction with engineer's details, which take precedence in case of any conflict: report any such conflicts to designers and obtain instructions prior to proceeding.
9. Comply with the requirements of CDM 2015
10. Comply with all requirements of Party Wall Act agreements.
