INFORMATIVE

All sections of this form need to be completed *prior* to submission alongside the planning application.

This form is only appropriate for 1-2 dwellings on either previous undeveloped land or garden plots. This form should not be used for developments larger than 2 dwellings or for where sites have a former industrial use- for larger developments or previously industrial sites we require a Phase I investigation to be submitted that has been undertaken in accordance with BS10175 and CLR11.

This form, and associated Web based Environmental Search, should be submitted to the Development Management Team directly. Under no circumstances should this be sent directly to the Environmental Protection Team.

If this form is used for larger developments, then this may result in the application being recommended for refusal until the correct information is submitted.

INTERNAL USE ONLY:

Please check the following before validating the application and consulting the Environmental Protection Team

The application is for no more than two dwellings on a Greenfield/Garden site.

The form has been completed in its entirety

The applicant has submitted an appropriate web based environmental check and is dated within 12 months

The declaration has been signed and dated in the past 12 months
