

STATUTORY DECLARATION
of
REBECCA LOUISE AUBREY NEWMAN

1. I REBECCA LOUISE AUBREY NEWMAN of Orchard House, Combe Raleigh, Devon EX14 4TN do hereby solemnly and sincerely declare as follows.
2. I now produce **Exhibit RLAN1** which is a location plan showing, edged red, Orchard House, Combe Raleigh, Devon EX14 4TN (the "**Property**"). Tower View House (the "**Main House**") is shown hatched green and the "**Farm Land**" is shown edged blue.
3. The Property was originally an annex to what is now the Main House which is immediately next door. These two houses now form a pair of semi-detached cottages.
4. The combined building comprising the Main House and the Property formerly comprised the farmhouse of the family farm where I initially visited and later lived consequent to meeting my partner, Steven Roger Potbury, in 2001.
5. The Main House and the Property used to be occupied by the whole family. That is, Steven's parents, Roger and Audrey Potbury, and his late brother, Andrew Potbury; as well as Steven and me.
6. Between 2001 and 2005 Steven's late brother Andrew developed a degenerative illness and needed to be cared for by his family in the family home.
7. In late 2005 Steven's father, Roger Potbury, applied for planning permission to build the Property as an annex to the Main House. Planning permission was granted in January 2006.
8. I now produce **Exhibit RLAN2** which is East Devon District Council planning permission reference 053-3305-FUL. The application was registered on 12 December 2005 and granted on 24 January 2006.
9. Planning permission was granted for "*erection of a two storey extension to provide annex accommodation*".
10. Condition 3 of the permission states "*the extension hereby permitted shall not be occupied at any time other than for the purposes ancillary to the residential use of the dwelling known as Tower View Farm*". The reason given for the condition was "*the building is unsuitable for an independent residential occupation*".
11. The Property was built and substantially completed circa January 2008. It was immediately occupied as an annex to the Main House in accordance with the planning permission plans. There were connecting doors in the downstairs living room and in the bedroom above the living room. The doors were open and in use at the time of

first occupation of the Property in January 2008. Steven's father, Roger, and late brother Andrew occupied the Main House. Steven and I occupied the Property as an annex. We all contributed towards utility bills and council tax which were billed to the combined property as a whole.

12. In due course Andrew met his wife. They were married in 2009. As a result of his marriage Andrew no longer needed his immediate family on site to take care of his needs. Andrew and his wife lived in the Main House and there was no longer a need to have a connected annex. Steven's father moved out of the Main House.
13. By April 2011 the doors between the Property and the Main House were closed and blocked up permanently. They have remained blocked off and have not been opened since. The Main House and the Property have been occupied as entirely separate dwellinghouses for a period of at least ten years up to the present day.
14. Consequently, I have continuously occupied the Property as a single dwellinghouse with my partner, Steven Roger Potbury, for a period of at least ten years immediately preceding the date of this Declaration.
15. I now produce **Exhibit RLAN3** which is a valuation letter dated 11 April 2011. This shows that occupation of the Property as a separate dwellinghouse had commenced by this time.
16. Steven and I have paid Council Tax on the Property as a separate dwellinghouse continuously since 31 March 2011. This can be independently verified with the council's own council tax records which I now produce as **Exhibit RLAN4**. These demonstrate that council tax has been payable for the Property and the Main House as separate dwellinghouses since 30 March 2011 to date.
17. The main house was subsequently rented out to tenants as a separate residence by Andrew and his wife who moved elsewhere.
18. Andrew has since passed away and the main house is now owned by his widow. His widow continues to rent out the Main House as a separate residence.
19. And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the provisions of The Statutory Declarations Act 1835.

Declared by the said
