Details of the pre-application advice received

On the basis of render samples viewed, selected, and agreed with the Architect on site, the proposed works would not require planning approval. It was agreed that for Enfield Housing and Regeneration Department's records an application for a Certificate of Lawful Development should be made for each property. Note that the works to this house form part of a larger project comprising approximately 50 houses, across two areas, those in each area in the same or adjacent roads but not generally adjacent houses. Subsequently Gideon Whittingham confirmed by email on 9 February 2022 that a separate Certificate of Lawful Development application would be required for each property.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
