4.Description of proposal

If the building was not in use on 20th March 2013, what date was it last in use? (DD/MM/YY)

What was the use of the building on 20th March 2013 or the last use before that date?

Post Office (class A1 use)

Please specify (including any floor space that has already changed use to a dwellinghouse under Class M of Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development Order) 2015) the cumulative floor space of building which is proposed to change use to a dwellinghouse:

Please describe the proposed development, and provide relevant information on transport and highways, contamination and flooding risks on site. A flood risk assessment should be provided with the application where the building is located in Flood Zones 2 and 3, and in Flood Zone 1 where an area which has critical drainage problems has been notified to the Local Planning Authority by the Environment Agency:

The proposal is for a change of use from Post Office to a mixed use, with a shop at the front (class A1 use) and 2 residential units to the rear (class C3 use) 1 no. studio & 1 no. 1b2p unit.
The site is not within a flood risk area.
Please find attached the transport statement, flood risk assessment and DAS.

Please provide a view on the impact of the change of use on the provision of services and an assessment of how likely it is that the building could be occupied by another retail or financial/professional services use:

The proposal will look to convert the front of the unit to retail (class A1 use) with the consented (ref no.20/5753/FUL) residential entrance to the flats above being used to access the proposed 2 residential units to the rear of the ground floor. If this application is approved then the entirety of the approvals will be implemented together to minimise construction costs and impact. The proposed units to the rear will utilise the rear yard as amenity space for the units to ensure a high quality of living.

4. Description of proposal (Continued)

Where the building is located in a key shopping area, please provide a view on the impact of the proposed change of use on the sustainability of that shopping area:

The building is located in a primary shop frontage however, the existing building is currently vacant. Therefore, the creation of a new retail unit with residential will rejuvenate the site.

Please give a description of any exterior alterations which are proposed to the building, including information of any intended partial demolition reasonably necessary to carry out these works:

Some external changes to be made to the rear of the building, regarding changing the positioning and size of certain windows on the ground floor to provide direct access from the residential units to the proposed amenity space.
