Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing planning permission for construction of a residential property: the proposal is to put a temporary static caravan (10'x32') on site in order that we can start living in the community we wish to be part of and enable construction to accelerate therefore there is no change of use. The static caravan will be removed within 4 weeks of completion.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Please see full planning permission granted by East Cambs District Council: 19/01291/FUL

Is the proposed operation or use

- ☐ Permanent
☒ Temporary

If Temporary please give details

The plan is to install a temporary static caravan (10'x32') to enable us, the owners, to live on site while the planned property is built.

We, the owners, are true self-builders undertaking all works ourselves and therefore living on site reduces travel, improves security and accelerates progress of the project to the benefit of all.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We own the property. We already have permission for a dwelling on the property, the temporary static caravan will be occupied by the owners and will be removed within 4 weeks of completion and occupation. We already have a water supply to site and a water treatment plant has already been installed for the new build and therefore there is no impact on local amenities.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No
