GENERAL NOTE

All works to be carried out in accordance with relevant BS/EN standards, relevant Codes of Practice and Building Regulations

Do not scale from this drawing. All dimensions are to be verified on site before proceeding with the work.

Existing features such as timber panelling decorative cornices are to be retained, and all works will be carried out with care to not damage the existing building.

Following pre-application consultations with the LPA, works to remove and replace recently added fittings and partitions where these do not impact the existing listed structure are not considered to require Listed Building Consent
