

Proposed floorplan of Aesthetics and Beauty Clinic

Update **29/04/22**:

- (As before) No changes currently are proposed to the internal or external structure of the building.
- Changes will be minor alterations to furniture and fittings only in the early stages of the business, e.g.:
 - Removal of all household furniture
 - Removal of oven, hob and hood, plus any free-standing kitchen appliances: 
 - hood extractor to be replaced with an extractor fan: 
 - Replacement of kitchen taps with single lever mixer tap from wall: 
- Addition of suitable furniture and fittings for the business, including treatment beds, chairs and tables, and a locked medical fridge:
