Site Area
What is the measurement of the site area? (numeric characters only).
3423.20
Unit
Sq. metres
Description of the Proposal
Please note in regard to:
• Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
 Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
• Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u> .
Description
Please describe details of the proposed development or works including any change of use
Renovation and extension to existing Gazebo to form annex accommodation
Has the work or change of use already started?
○ Yes② No
Existing Use
Please describe the current use of the site
Garden studio/storage
Is the site currently vacant?
○ Yes② No
Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated
○ Yes⊙ No
Land where contamination is suspected for all or part of the site
○ Yes ② No
A proposed use that would be particularly vulnerable to the presence of contamination
○Yes
⊙ No
Materials
Does the proposed development require any materials to be used externally?
⊗ Yes
○ No

Assessment of Flood Risk Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) Yes

Will the proposal increase the flood risk elsewhere?
○ Yes② No
How will surface water be disposed of?
☐ Sustainable drainage system
☐ Existing water course
✓ Soakaway
☐ Main sewer
☐ Pond/lake
Biodiversity and Geological Conservation
Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.
a) Protected and priority species
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
b) Designated sites, important habitats or other biodiversity features
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Foul Sewage
Please state how foul sewage is to be disposed of:
✓ Mains sewer Septic tank
Package treatment plant
☐ Cess pit ☐ Other
Unknown

Are you proposing to connect to the existing drainage system?
⊙ Yes
○ No ○ Unknown
If Yes, please include the details of the existing system on the application drawings and state the plan(s)/drawing(s) references
AA.21.86
Waste Storage and Collection
Do the plans incorporate areas to store and aid the collection of waste?
○ No
If Yes, please provide details:
Waste collection will be included in host dwelling - The Old School
Have arrangements been made for the separate storage and collection of recyclable waste?
✓ Yes○ No
If Yes, please provide details:
Waste collection will be included in host dwelling - The Old School

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?
○ Yes② No
Hours of Opening
Are Hours of Opening relevant to this proposal?
○ Yes
⊗ No
Industrial or Commercial Processes and Machinery
Does this proposal involve the carrying out of industrial or commercial activities and processes?
○ Yes⊙ No
Is the proposal for a waste management development?
○ Yes
⊗ No
Hazardous Substances
Does the proposal involve the use or storage of Hazardous Substances?
○Yes
⊗ No
Site Visit
Can the site be seen from a public road, public footpath, bridleway or other public land?
○ Yes② No
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?
○ The agent⊙ The applicant
Other person
Pre-application Advice
Has assistance or prior advice been sought from the local authority about this application?
✓ Yes○ No
If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:	
Title	
***** REDACTED *****	
First Name	
**** REDACTED *****	
Surname	
**** REDACTED *****	
Reference	
PRE21/0521	
Date (must be pre-application submission)	
14/10/2021	
Details of the pre-application advice received	
Officers have no fundamental concerns with the proposal in principle, subject to the above advice. At this stage based on the information submitted, there is not considered to be any further advice in terms of changes. Consideration should be given to use of materials, which would be expected to be of a high-quality appearance. Full material details could be submitted with any forthcoming full planning application, otherwise this would need to be secured by condition.	
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff	
(d) related to an elected member	
It is an important principle of decision-making that the process is open and transparent.	
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and inforr considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.	ned observer, having
Do any of the above statements apply?	
○ Yes ⊙ No	
Ownership Certificates and Agricultural Land Declaration	
Certificates under Article 14 - Town and Country Planning (Development Manageme (England) Order 2015 (as amended)	nt Procedure)
Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.	
Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for mo	
	ore than 21 days?

○ Yes② No
Certificate Of Ownership - Certificate A
I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**
* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
