**BY EMAIL ONLY**

Dear Sir,

**Replacement Cladding at Premier Inn - Southampton West Quay,  
Harbour Parade, Southampton, SO15 1BA**

This application is submitted via the Planning Portal (Ref: PP-11190289). Planning permission is sought for the amendment to submitted plans in conjunction with approved planning permission ref. 20/00867/FUL.

The intention is to replace the render system altogether with a Permarock or similar approved mineral wool insulated render system. The window and aluminium panels that sit between the windows will not need a large surround as currently shown on the approved drawings. The surround will now result in a finish that is closer to the existing finish. Material colours will be chosen to be the closest match to the building as existing.

The building is not a heritage asset and neither the building nor the local area will be materially affected by these minor changes. I therefore trust that this matter can be dealt with expeditiously.

Please contact me with any queries.

Yours faithfully,

[Redacted Signature]  
Abi Frost BA (Hons) MSc
