

Design and access statement

Yoga Bomb 6 Bootham Terrace

York YO3- 7DH

28/4/2022

The plan for this project is to knock a simple doorway with fire door from the basement room in 5 Bootham Terrace into the adjoining house at 6 Bootham Terrace

This doorway will allow people that come to Yoga sessions space before and after the classes to congregate, chat and chill out.

6 Bootham Terrace has the yoga studio.

5 Bootham Terrace will have a lounge style space. It will include a sofa, chairs and a coffee machine
