Hedley House basement plan NEW doors highlighted in red

Heritage statement

Knocking 2 standard sized fire doors through from one building to the next. Door 1 From 4 Bootham Terrace to 5 Bootham Terrace. Door2 from 5 Bootham Terrace to 6 Bootham Terrace

Neither door will interfere with the historic nature or overall structure of the buildings as they are both in corners of the room that have no historic or special features.

The doors will enable quick access from one building to the next allowing the yoga studio more vital space for customers to enjoy the yoga experience. The other door allows access from the main hotel in to the Yoga studio without going outside and along the street.

None of the works affect or impact any other buildings adjacent or outside of the hotel and Yoga studio

Best wishes
