The planning officer raised the following concerns with the proposed amendment:

1. It spreads the scheme over a wider area.
2. It introduces an additional entrance.
3. The relocated driveway would be more prominent due to it being in a higher location.

We believe the scheme addresses these concerns and this is set out in the Addendum to the DAS.

The Conservation Officer for the project visited site and agreed the proposals would be an improvement (over the consented scheme) on the setting of the listed building.
