Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **9 m long landing stage on Welle Creek outside of front of house at Newbridge House 15 School Road Upwell Wisbech Norfolk**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Unfortunately Location plan is not to scale, the red line on your plan measures to 6 m please correct. Location plan should include measurable scale bar and direction of North point.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Miss Sandra Homcenko**

Yours faithfully
