Note -

The contractor will be held to have checked all dimensions before commencing with any works and, in the event of discrepancies, is to refer them directly to the producer of this document for clarification prior to commencement of any works.

Written dimensions are to be taken in all cases. Drawings should not be scaled for dimensions. In case of doubt refer to this office.

Any discrepancies between this drawing and Structural Engineers drawings to be reported to this office for clarification, generally Structural Engineers drawings / details to take precedence.
