Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Alteration and two storey extension to semi-detached dwelling at Quorn 24
Popes Lane Terrington St Clement King's Lynn Norfolk**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. It would appear that the red line on your location and block plans edges land outside of the curtilage of the dwelling. Please submit location and block plans with the red line edging the curtilage of the dwelling.
2. I note that you have signed ownership certificate B, stating that some of the land relates to part of an agricultural holding. Please check that you have edged the curtilage of the dwelling only and have signed the correct ownership certificate.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Mrs Joanne Rahman**

Yours faithfully

Executive Director
Environment and Planning
