Dear Sir or Madam

**TOWN AND COUNTRY PLANNING ACT 1990**

Details: **Installation of 1no Solar Tracker Array at 11A Lime Kiln Road Gayton Norfolk PE32 1QT**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Thank you for providing elevations but these should be done to a recognisable scale and be measured easily using a scale rule. Please resubmit these plans done to a recognisable scale such as 1:20 or 1:50.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Mrs Joanne Rahman**

Yours faithfully

Executive Director  
Environment and Planning
