Date (must be pre-application submission) 29/03/2022 Details of the pre-application advice received "I am satisfied that the proposed fencing will appear visually acceptable within the streetscene and will respect the character of the area. I am also satisfied given the relationship of the fencing with neighbouring properties, there will be no undue impact on to relighbouring properties to the detriment of their residential amenity. Having lisiased with the Highway Authority in regard to the details, they have advised that they would raise no objections to the proposed relocation of the fencing provided that the 2m by 2m visibility splay is provided as shown on your submitted plan. I therefore consider that the submission of a formal planning application for the proposal would be likely to be favourably considered." Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. Do any of the above statements apply? Yes No
