

General Notes

GENERAL NOTES

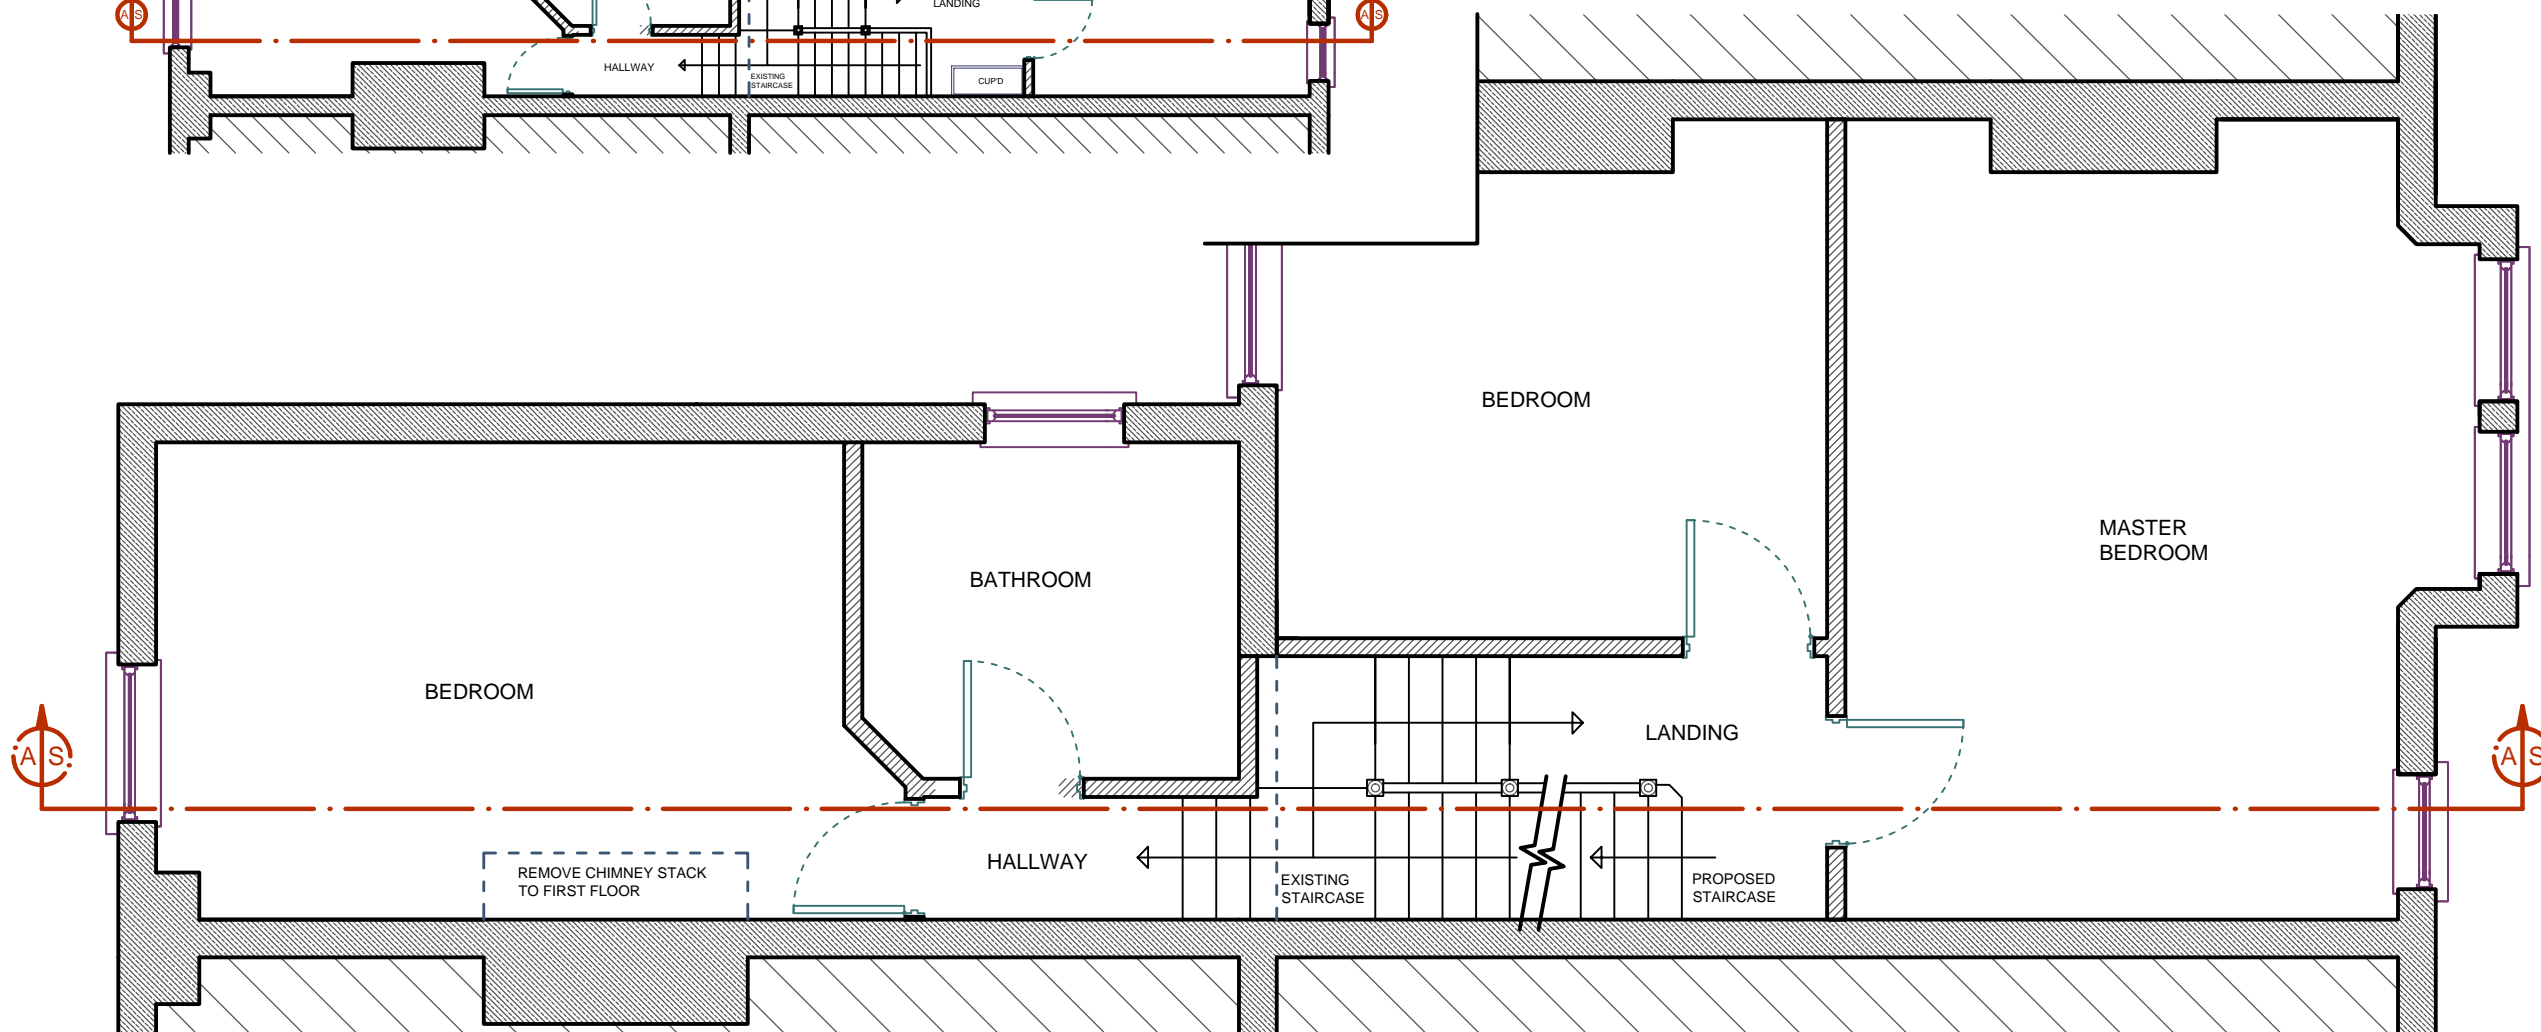

All works to comply with relevant Codes of Practice and British Standards. Existing foundations and lintels to be exposed to establish their suitability and underpinned or replaced if found to be unsatisfactory.

All site particulars, dimensions and levels of existing structure to be checked on site with the drawings by the contractor and any discrepancies reported prior to the commencement of any work. The contractor should not scale from these drawings.

All claddings, batten, structured timber to BS4072. Construction timber to be treated against infestation by house longhorn beetle (Reg.7). Timber to be of strength SC3 Grade, unless indicated as SC4 on the drawings.
